Purpose

1. If this is a new program grant, please describe the steps your school has taken thus far to implement the program this grant is supporting. If you have encountered any challenges or obstacles with the implementation, please describe.
2. If this is the second year of your grant, please describe your progress on the previous year's goals. If you described any challenges or obstacles in last year's report, please be certain to describe how you have been able to overcome them in your second year.
3. Please describe what the program has been able to accomplish this year to date. Please include as much statistical information as possible, especially if your grant relates to recruitment of students or fundraising ( i.e.number of students participating, donors reached, dollars raised, etc.)
4. Please describe the program's goals for the remainder of the year.
5. If you wish to renew the CSF grant for this program for 2010-11, please describe why and what the program's goals would be in the second year.
